The minimum age for paintball is 12years+. Please see our paintball shooting range option in fun park for players 8 years+.

Argyll Adventure treats the health & safety of all participants as a priority, however, as with any sport/leisure activity there are hazards associated with paintball & in consequence it is important for the safety of everyone taking part that each participant is acquainted with those hazards & individually takes all relevant action to minimise those hazards as much as possible.

I understand that

- Paintballing is physically and mentally intense and may require extreme exertion to play (please inform the game marshal of any medical condition, inhaler or any other relevant medical aids).
- The possibility of injury to myself and others exists.
- The playing area has varying terrain which may be slippery and contain trip hazards.
- There is a possibility of tree debris.
- Goggles must be worn at all times unless instructed otherwise by a marshal.
- Paintballs can leave bruising and/or cut the skin.
- No markers/guns are allowed in the safe zone.
- No physical contact is allowed between the participants.
- Argyll Adventure will not accept responsibility for valuables lost on the site

I confirm and agree that

- I am physically fit and mentally able to take the strain and exertion involved in playing paintball.
- I am fully aware of the risks to myself and others involved in paintballing and that I will never, under any circumstances, deliberately shoot anyone in the face or head.
- I will wear the supplied goggles and not remove them while in any paintballing area.
- I will comply with paintball rules and use the equipment as instructed.
- I will obey all directions from the game marshals.
- I will not shoot another player within 5meters of me.
- I will only use paintballs and pyrotechnics supplied by Argyll Adventure.
